## User says

"I need an agreement, but I do not know how to word the clauses."

## User thinks

Wants a professional-looking document quickly, without paying for drafting every time.

## User does

Enters document type, parties, terms and date, then reviews and edits the generated text.

## User feels

May feel worried about missing clauses or making legal mistakes.

## Pain points

Time-consuming drafting, unfamiliar legal language, inconsistent formatting.

## Needs

Simple input form, structured output, easy editing and ready-to-use TXT / DOCX / PDF files.
